INJUNCTIVE RELIEF SOUGHT

FIRST COAST ENERGY, L.L.P.,  
a Limited Liability Partnership

Defendant(s).

/

**COMPLAINT**

Plaintiff, HOWARD COHAN (“Plaintiff”), by and through the undersigned counsel, hereby files this Complaint and sues FIRST COAST ENERGY L.L.P., a Limited Liability Partnership, (“Defendant”), for declaratory and injunctive relief, attorneys’ fees, expenses and costs (including, but not limited to, court costs and expert fees) pursuant to 42 U.S.C. § 12182 et. seq., and the 2010 Americans with Disabilities Act (“ADA”) and alleges as follows:

**JURISDICTION AND VENUE**

1. This is a complaint for breach of contract and injunctive relief seeking enforcement of the Consent Decree (copy attached as Exhibit A) reached in the case of HOWARD COHAN v. FIRST COAST ENERGY, L.L.P., 0:18-CV-60089-WJZ (S.D. Fla.) (dismissed by order upon settlement) which arose out of Plaintiff’s claim of discrimination caused by certain barriers encountered by Plaintiff on Defendant’s property that prevented Plaintiff from the full and equal enjoyment of a place of public accommodation in violation of Title III of the Americans with Disabilities Act.

2. This Court is vested with original jurisdiction over this action pursuant to 28 U.S.C. §§ 1331, 343 for Plaintiff's claims arising under Title 42 U.S.C. § 12182 et. seq., based on Defendant's violations of Title III of the ADA. *See also*, 28 U.S.C. §§ 2201, 2202, as well as the 2010 ADA Standards.

3. Venue is proper in this Court, FORT LAUDERDALE Division, pursuant to 28 U.S.C. § 1391(B) and Internal Operating Procedures for the United States District Court For the Southern District of Florida in that all events giving rise to the lawsuit occurred in Palm Beach County, Florida.

#### **PARTIES**

4. Plaintiff, HOWARD COHAN is *sui juris* and is a resident of the State of Florida residing in Palm Beach County, Florida.

5. Upon information and belief, Defendant is the lessee, operator, owner and lessor of the Real Property, which is subject to this suit, and is located at 16000 State Road 84, Sunrise, FL 33326, ("Premises"), and is the owner of the improvements where Premises is located.

6. Defendant is authorized to conduct, and is in fact conducting, business within the state of Florida.

7. Plaintiff is an individual with numerous permanent disabilities including severe spinal stenosis of the lumbar spine with spondylolisthesis; severe spinal stenosis of the cervical spine with nerve root compromise on the right side; a non-union fracture of the left acromion (shoulder); a labral tear of the left shoulder; a full thickness tear of the right rotator cuff; a right knee medial meniscal tear; a repaired ACL and bilateral meniscal tear of the left knee; and severe basal joint arthritis of the left thumb. The above listed permanent disabilities and symptoms cause

sudden onsets of severe pain and substantially limit Plaintiff's major life activities. As such, Plaintiff suffered from a "qualified disability" under the ADA. 42 U.S.C § 12101, *et seq.*

8. On September 1, 2017, Plaintiff visited Defendant's Premises. At the time of Plaintiff's visit to the Premises on September 1, 2017, Plaintiff required fully accessible and properly marked parking for individuals with disabilities, fully accessible pathways to the store from the parking or restroom area, and fully accessible restrooms. Plaintiff personally visited the Premises, but was denied full and equal access and full and equal enjoyment of the facilities, services, goods, and amenities within the Premises, even though he was a "bona fide patron".

9. Defendant's Premises is a public accommodation as defined by Title III of the ADA and as such is governed by the ADA.

10. On or about January 16, 2018, Plaintiff filed a lawsuit against Defendant seeking to force Defendant to comply with the ADA and applicable regulations thereto. See HOWARD COHAN v. FIRST COAST ENERGY, L.L.P., 0:18-CV-60089-WJZ (S.D. Fla.)

11. On or about January 16, 2018, Plaintiff's suit was dismissed upon stipulation and notice to the U.S. District Court that the parties had settled.

12. In connection with said dismissal, Plaintiff and Defendant entered into a Consent Decree (Exhibit A) on or about October 17, 2019.

13. The Consent Decree required Defendant to complete all modifications to the Premises by on or about October 17, 2020.

14. Defendant has failed to complete the required modification(s) to the Premises as required by the ADA and the Consent Decree and Defendant has failed to give notice of any reasons or documentation for non-compliance.

15. Plaintiff again personally visited Defendant's Premises on October 19, 2020 and October 14, 2021, (and prior to instituting this action).

16. Plaintiff required the use of fully accessible and properly marked parking for individuals with disabilities and fully accessible restrooms. Plaintiff was denied full and equal access and full and equal enjoyment of the facilities, services, goods, and amenities within the Premises, even though was "bona fide patron".

17. Plaintiff, in his individual capacity, has shown that he will absolutely return to the Premises and avail himself of the services offered when Defendant modifies the Premises or modifies the policies and practices to accommodate individuals who have physical disabilities.

18. Plaintiff is continuously aware of the violations at Defendant's Premises and is aware that it would be a futile gesture to return to the Premises as long as those violations exist, and Plaintiff is not willing to suffer additional discrimination.

19. Plaintiff has suffered, and will continue to suffer, direct and indirect injury as a result of Defendant's discrimination until Defendant is compelled to comply with the requirements of the ADA.

20. Plaintiff would like to be able to be a patron of the Premises in the future and be able to enjoy the goods and services that are available to the able-bodied public, but is currently precluded from doing so as a result of Defendant's discriminatory conduct as described herein. Plaintiff will continue to be precluded from using the Premises until corrective measures are taken at the Premises to eliminate the discrimination against persons with physical disabilities.

21. Completely independent of the personal desire to have access to this place of public accommodation free of illegal barriers to access, Plaintiff also acts as a "tester" for the purpose of discovering, encountering and engaging discrimination against the disabled in public

accommodations. When acting as a “tester”, Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation; engages all of the barriers to access, or at least of those that Plaintiff is able to access; tests all of those barriers to access to determine whether and the extent to which they are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to Premises to verify its compliance or non-compliance with the ADA and to otherwise use the public accommodation as members of the able-bodied community are able to do. Independent of other subsequent visits, Plaintiff also intends to visit the Premises regularly to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of Premises. In this instance, Plaintiff, in Plaintiff’s individual capacity and as a “tester”, visited Premises, encountered barriers to access at Premises, and engaged and tested those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and the ADA violations set forth herein. It is Plaintiff’s belief that said violations will not be corrected without Court intervention, and thus Plaintiff will suffer legal harm and injury in the near future.

22. Plaintiff, in his capacity as a tester, will absolutely return to the Premises when Defendant modifies the Premises or modifies the policies and practices to accommodate individuals who have physical disabilities to confirm said modifications have been completed in accordance with the requirements of the ADA.

**COUNT I**  
**VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

23. Plaintiff adopts and re-alleges the allegations stated in paragraphs 1 through 22 above as if fully stated herein.

24. On July 26, 1990, Congress enacted the Americans With Disabilities Act (“ADA”), 42 U.S.C. § 12101 et. seq. Commercial enterprises were provided one and a half (1.5) years from

enactment of the statute to implement its requirements. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if Defendant(s) have ten (10) or fewer employees and gross receipts of \$500,000.00 or less. *See* 42 U.S.C. § 12182; 28 C.F.R. § 36.508(a).

25. Congress found, among other things, that:

- a. some 43,000,000 Americans have one or more physical or mental disabilities, and this number shall increase as the population continues to grow older;
- b. historically, society has tended to isolate and segregate individuals with disabilities and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;
- c. discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;
- d. individuals with disabilities continually suffer forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, failure to make modifications to existing facilities and practices. Exclusionary qualification standards and criteria, segregation, and regulation to lesser services, programs, benefits, or other opportunities; and,
- e. the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our country is justifiably famous, and accosts

the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1)-(3),(5) and (9).

26. Congress explicitly stated that the purpose of the ADA was to:

- a. provide a clear and comprehensive national mandate for elimination of discrimination against individuals with disabilities;
- b. provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and
- c. invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily basis by people with disabilities.

U.S.C. § 12101(b)(1)(2) and (4).

27. Pursuant to 42 U.S.C. § 12182(7), 28 C.F.R. § 36.104 and the 2010 ADA Standards, Defendant's Premises is a place of public accommodation covered by the ADA by the fact it provides services to the general public and must be in compliance therewith.

28. Defendant has discriminated and continues to discriminate against Plaintiff and others who are similarly situated, by denying access to, and full and equal enjoyment of goods, services, facilities, privileges, advantages and/or accommodations located at the Premises, as prohibited by 42 U.S.C. § 12182 and 42 U.S.C. § 12101 et. seq., and by failing to remove architectural barriers pursuant to 42 U.S.C. § 12182(b)(2)(A)(iv).

29. Plaintiff has visited Premises, and has been denied full and safe equal access to the facilities and therefore suffered an injury in fact.

30. Plaintiff would like to return and enjoy the goods and/or services at Premises on a spontaneous, full and equal basis. However, Plaintiff is precluded from doing so by the Defendant's failure and refusal to provide disabled persons with full and equal access to their facilities. Therefore, Plaintiff continues to suffer from discrimination and injury due to the architectural barriers that are in violation of the ADA.

31. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice, Officer of the Attorney General promulgated Federal Regulations to implement the requirements of the ADA. *See* 28 C.F.R. § 36 and its successor the 2010 ADA Standards ADA Accessibility guidelines (hereinafter referred to as "ADAAG"), 28 C.F.R. § 36, under which said Department may obtain civil penalties of up to \$55,000.00 for the first violation and \$110,000.00 for and subsequent violation.

32. Based on a preliminary inspection of the Premises, Defendant is in violation of 42 U.S.C. § 12182 et. seq. and the 2010 American Disabilities Act Standards et. seq., and is discriminating against Plaintiff as a result of, *inter alia*, the following specific violations:

**Unisex restroom**

- a. Failure to provide proper signage for an accessible restroom or failure to redirect a person with a disability to the closest available accessible restroom facility in violation of 2010 ADAAG §§ 216, 216.2, 216.6, 216.8, 603, 703, 703.1, 703.2, 703.5 and 703.7.2.1.
- b. Providing grab bars of improper horizontal length or spacing as required along the rear or side wall in violation of 2010 ADAAG §§ 604, 604.5, 604.5.1 and 604.5.2.
- c. Failure to provide the proper insulation or protection for plumbing or other sharp or abrasive objects under a sink or countertop in violation of 2010 ADAAG §§ 606 and 606.5.

- d. Failure to provide toilet cover dispenser at the correct height above the finished floor in violation of 2010 ADAAG §§ 606, 606.1 and 308.
- e. Failure to provide a dispenser in an accessible position (back wall or other inaccessible place) so that it can be reached by a person with a disability in violation of 2010 ADAAG §§ 606, 606.1, 308 and 308.2.2.
- f. Failure to provide the proper spacing between a grab bar and an object projecting out of the wall in violation of 2010 ADAAG §§ 609, 609.1 and 609.3.
- g. Failure to provide proper knee clearance for a person with a disability under a counter or sink element in violation of 2010 ADAAG §§ 306, 306.1 306.3, 606 and 606.2

### **Disabled Parking**

- h. Failure to provide sign(s) for disabled parking or van disabled parking in violation of 2010 ADAAG §§ 502 and 502.6.

33. To the best of Plaintiff's belief and knowledge, Defendant has failed to eliminate the specific violations set forth in paragraph 32 herein.

34. Although Defendant is charged with having knowledge of the violations, Defendant may not have actual knowledge of said violations until this Complaint makes Defendant aware of same.

35. To date, the readily achievable barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

36. As the owner, lessor, lessee or operator of the Premises, Defendant is required to comply with the ADA. To the extent the Premises, or portions thereof, existed and were occupied

prior to January 26, 1992, the owner, lessor, lessee or operator has been under a continuing obligation to remove architectural barriers at the Premises where removal was readily achievable, as required by 28 C.F.R. §36.402.

37. To the extent the Premises, or portions thereof, were constructed for occupancy after January 26, 1993 the owner, lessor, lessee or operator of the Premises was under an obligation to design and construct such Premises such that it is readily accessible to and usable by individuals with disabilities, as required by 28 C.F.R. §36.401.

38. Plaintiff has retained the undersigned counsel for the filing and prosecution of this action. Plaintiff is entitled to have his reasonable attorneys' fees, costs and expenses paid by Defendant, pursuant to 42 U.S.C. § 12205.

39. All of the above violations are readily achievable to modify in order to bring Premises or the Facility/Property into compliance with the ADA.

40. In instance(s) where the 2010 ADAAG standard does not apply, the 1991 ADAAG standard applies and all of the violations listed in paragraph 32 herein can be applied to the 1991 ADAAG standards.

41. Pursuant to 42 U.S.C. § 12188, this Court is vested with the authority to grant Plaintiff's injunctive relief, including an order to alter the subject facility to make them readily accessible to and useable by individuals with disabilities to the extent required by the ADA and closing the Subject Facility until the requisite modifications are completed.

WHEREFORE, Plaintiff demands judgment against Defendant and requests the following injunctive and declaratory relief:

1. That this Court declares that Premises owned, operated and/or controlled by Defendant is in violation of the ADA;

2. That this Court enter an Order requiring Defendant to alter their facilities to make them accessible to and usable by individuals with disabilities to the full extent required by Title III of the ADA;
3. That this Court enter an Order directing the Defendant to evaluate and neutralize their policies, practices and procedures toward persons with disabilities, for such reasonable time so as to allow the Defendant to undertake and complete corrective procedures to Premises;
4. That this Court award reasonable attorney's fees, all costs (including, but not limited to the court costs and expert fees) and other expenses of suit to the Plaintiff; and,
5. That this Court award such other and further relief as it may deem necessary, just and proper.
